

SSV Incentive Program

The San Jose Earthquakes would like to offer Soccer Silicon Valley an exclusive incentive program for all of its members.

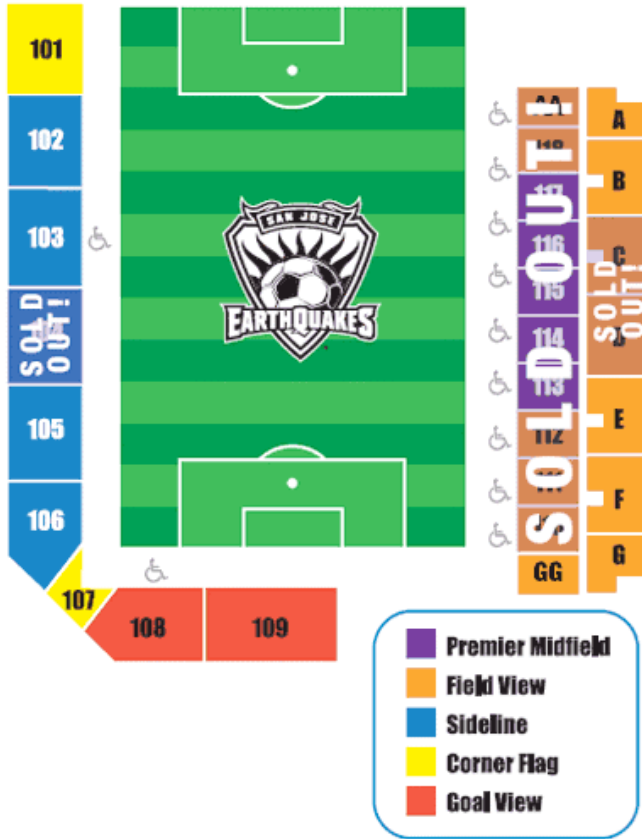

As the Earthquakes continue their push of Full Season Tickets we also continue to work closely with SSV in spreading the awareness of Major League Soccer in the Bay Area. Our hope is that we can continue to educate people about the Earthquakes and eventually bring them on board as season ticket holders. Below, you will see the incentive program the Earthquakes have devised especially for SSV. From this point going forward, you will receive a certain premium item(s) based on the amount of new sales you bring to the Earthquakes.

We truly appreciate all of your hard work and support!

\$1,000 of new season tickets = An autographed photo with your favorite San Jose Earthquakes player
\$2,000 of new season tickets = An autographed soccer ball from the entire San Jose Earthquakes team
\$10,000 of new season tickets = An Earthquakes private practice visit and coffee with John Doyle

- SSV Members will provide Earthquakes Ticket Sales Representatives with contact information for potential season ticket holders. Earthquakes staff will keep track of all referrals along with the amount of new sales an SSV member brings in.
- This offer is valid for the 2008 season only. A similar incentive program will be created for the 2009 season. * **Excludes renewals**
- Prizes are cumulative
